CONFERENCE PROGRAM

Sue King is a hands-on Christian who brings that perspective to everything she does.

And she has plenty of opportunity, as our Director of United Methodist Volunteers in Mission and coordinator for our Conference partnership with West Angola.

Our support of the Conference Program apportionment enables Sue to travel to your local church and all the others in our Conference, raising awareness and mobilizing mission teams in your community and around the world. What a wonderful way to empower our living connection!

Together, connected to each other and to Christ, we do far more than we can alone. The **Conference Program** apportionment item supports mission, ministry and benevolent causes in the Cal-Nevada Annual Conference.

The **Conference Program** apportionment item makes it possible for us to educate, train and deploy people in local churches and districts. It provides for the programs, resource persons and materials to strengthen the work of the local church as it seeks to proclaim the gospel and welcome and gather people of faith into the body of Christ.

Areas of ministry within our Annual Conference include:

Archives and History	Children and Poverty
Camping and Retreat Ministries	Evangelism
Church Growth, Development and Revitalization	Higher Ed & Campus Ministry

If you are interested in working in any of these program areas, contact your district superintendent or the Rev. Linda Wiberg, Director of Connectional Ministry.
