

OPEN TO ALL CALIFORNIA-NEVADA CONFERENCE CHURCHES

Bishop Robert Schnase, Author

Five Practices

PART ONE - of this three-part workshop will give us a brief overview of the Five Practices, why these concepts are powerful, how they help us fulfill our mission, how to imbed them into congregational culture, and how not to use them.

PART TWO - “How Does Your Church Work?” We’ll talk honestly about how things really happen in local congregations. Are our systems conducive to fulfilling our mission, or do they impede our mission? How do we move toward excellence and fruitfulness?

PART THREE – “Personal Practice: What Do I Have to Do with the Mission of the Church?” What are our patterns of personal invitation, and how do we foster an outward-focused congregational culture? How do we become more intentional in our personal practices of invitation, worship, learning, serving, and generosity?
